The State of Texas }
County of Dewitt } I Frank
White do swear that I have known
Joseph Lumbison well ever since
the year one thousand eight hun
=dred and thirty five - that he was
in the army of the revolution
which seperated Texas from Mexico
that he was in the command
under Col Ed Burleson in the
year 1835 & 1836 - that I was quite
a small Boy at that time, that
I was in Gonzales and had to leave
the town with the Texas Army upon
the approach of the Mexican army
that I saw said Lumbison in the
Texas army at the time - and
believe the statements made by
him in his said application to
be true -
