State of Texas }
Travis County } this day personally appeared Washington Anderson who being duly sworn according to law says that he has known the witness Turner now present since about the year 1835, I have always understood from common report that he was in the army of the Republic in the years 1835 & 1836, and I have not a doubt in my own mind but that he is the identical man he represents himself to be, I am confident he was in the army in 1835 & 1836

Sworn to & subscribed to before me at Austin this the 8 day of August 1874
