Before me the undersigned authority personally appeared James L. Trueheart ——— and L. Colquhoun to me well known, who upon oath declared and said that the affidavit made by John Twohig is true, and that they were captured in San Antonio, Texas, in September 1842, by General Adrian Wall, at the same time and place where said John Twohig was taken, and that they were all confined as prisoners in the Castle of Perote, Mexico, until he (John Twohig) made his escape from said Castle on the night of July 2d 1843; and that he is the identical person he represents himself to be, and that they have no interest whatever in his application for pension.
