The State of Texas,
County of Bexar. } Before me, the undersigned authority, personally appeared Rita Guerra de Carranco to me known as a credible person, who having been duly sworn by me according to law upon her oath deposes and says that she is about 57 years of age, was born and raised in Bexar County, Texas, and has lived here all her life; that she is well acquainted with Francisco Valdez, of the Alamo, has known him ever since she can remember; that she knows the said Francisco Valdez received a Bounty for his service in the war of 1835, because she overheard the said Francisco Valdez in a conversation with her father tell her said father that he had received his Bounty but had sold it; that she does not know in what year this conversation occurred but knows that it was anterior to the late Confederate war, and was at my father's house in the Alamo. I have no interest in this matter.
