Recd Nov. 4th 1870

Montgomery, Texas,
Sept. 29th, 1870.

Hon. A. Bledsoe
Comptroller State of Texas.

Dear Sir.

I this morning rec'd from your office my former affidavit and proof on which to obtain Pension Certificate, also blank form of oath of identity.

Presuming it necessary for you to have the former proof before you, I again forward it, together with oath of identity, as per form.

If, on this showing, together with examination of muster rolls &c, you consider me entitled to pension certificate you will confer a great favor on me — an old soldier — by forwarding it to me.

Most respectfully,
Your ob't serv't.
John M. Wade.
