State of Kentucky:-
County of Marion Ct.

This day personally appeared before me R. H. Rountree, who after being duly sworn says:

In July 1840, I was clerk of the County Court of Marion County Ky, and as clerk issued Marriage License authorizing the marriage of J. J. White and Helen Alvey, which took place to the best of my recollection in July 1840. I further state that the needs of Marion County were destroyed by fire July 5th 1863.

I have no interest in any claim that Mrs. White may have for County.

R. H. Rountree

Sworn to & subscribed before me this 12th day of December 1874 & I certify that I have no interest in the claim & that the records of Marion County were destroyed July 5th 1874
