Personally appeared before the undersigned authority Capt. John T. Whiteside a citizen of Grimes County State of Texas, and to me well known, who being duly sworn according to law declares, that he has known John C. White the applicant for Pension under "act of August 13th, 1870." ever since March 1836 continuously up to the present date.—have lived neighbors for twenty three years. Have often heard that he was in the Battle of San Jacinto, and that I believe him to be the identical person he represents himself and performed the service set forth in his petition for a pension.

Sworn to and subscribed before me at office in the City of Navasota on the 27th day of October AD 1870 to which I hereto set my name and affix my notarial seal
