The State of Texas }
County of Bexar } I Moses Wyatt do
swear that I have known H Bingham
whose name appears on a
thousand eight hundred and thirty six and
that he was in the army of the revolution
which separated Texas from Mexico
and that he enlisted in Captain W G
Howard's Company at Brazoria on
or about the tenth day of March A D
1836 in Col Edward Burleson's regiment
in the field, and was discharged at
San Jacinto on the 25th day of April
1836 by reason of sickness and
the records of the army being mislaid
in carrying them to Washington which is
about fifty miles from my residence
I believe I served long
enough to entitle me to a land certificate
and that I believe the statement
of the foregoing contained to be true as
far as I know or believe the signature not
witnessed except by myself
