In the matter of the application of the surviving widow of Simon C White for a pension under the act of August 1870

I John J. Linn a resident of Victoria County would state — that Capt Ebberly succeeded Capt Collins rank in the command of a company in the Texas Revolution — and that there was a call for volunteers from the various companies to go to San Antonio under Capt George Sutherland — and that part of Capt Ebberlys Company did volunteer and go under Capt George Sutherland and that I was acquainted with Simon C White in life time and know that he was a soldier of the Texas revolution and that he belonged to some of these Companies but which one whether Ebberlys or Allegs I cannot state — Capt Sutherland's Company was made up out of Ebberlys & Allegs Companies principally — My means of information are that I was Quater Master of the Texas Army at this time & furnished these Companies with supplies

Sworn to and subscribed before me this 14 day of November 1874

Witness my official seal and hereunto the day and year above written
