County of Wallers }

This day personally appeared before the undersigned authority E H F Nicholson and Matt M Burford who being duly sworn say that they believe that Robert M Williams, whose signature appears to the forgoing application for a pension is the individual Robert M Williams who served as a soldier in the Revolution that separated Texas from Mexico, they have been acquainted with said Williams for several years and have no doubt of the truth of his statements having often heard him speak of his services as a soldier in the Texas Revolution
