No 223 Issued Dec 24th 70 — Sent to Altorf & Ford Marlin Falls Co - Dec 24th of $250 -

Marlin Apr 18th 1871

Hon. A. Bledsoe Comptroller.

Dear Sir;

Some time since Mr Henry Woodland through us forwarded to you receipt for his first installment on his Certificate for Pension granting him $250 pr. annum as Meyer Mesoner.

Since then we have addressed you on the subject but have neither received from you draft to Mr Woodland for the amount nor any recognition of the receipt or its reception. The receipt was send forward directly to you on the idea that upon its reception you would immediately forward to Mr Woodland through me the draft for the amount receipted for, and it was done to save the expense of a local agent at Austin. Please inform me as to this matter.

Very Restly W. B. Forde
