To his Excelency Richard Coke
Governor of Texas

My Dear Sir

At the request of Henry Woodland I wrote to the Comptroller at Austin requesting the nature or kind of proof required to secure the pensions allowed by recent act of legislature but not hearing him I respectfully beg of Your Excelency to furnish me the desired information Mr Woodland is one of the Meir prisoners, & filed his claim under the former act to gether with all necessary proof; will this be sufficient under the recent act.

regreting trespassing on your valuable time &c; Wishing You prosperity.

I am Yours Truly
