would ultimately be found "approved" And so it seems it has been; and I presume that it is now on file in your office, subject to the order of the owner, unless some unprincipled land thief, of which our Capital can boast many and our State legions, has heretofore with "fixed up papers," withdrawn it.

The aforesaid Robt. Barton Certificate for 640 acres No. 44. is the property of a client of mine, W. D. Bedwell, whose transfers, regularly made from Mr. Barton to himself, are of record in the County Clerks Office of this Co.

Is said Certificate in your office; and if so what evidence must I present in order to take possession of it for him? -

If not in your office, when and to whom and by what authority was it delivered?

An early answer will much
