Owensville May 18/59

Dr Sir

The Certificates which you request me to designate are John Lewis No 67 for 480 acres. It should have been 1280; and he transfers to Burt, by his endorsement, 1280. - The certificate shews upon its face a service of nine months. I think the figures 480 are a mistake.

~~The~~ Also James Agnew 4318 for 1280 for service of 8 months with assignment in the body of the Certificate.

I trust that a certificate may issue according to our petition for the 800 acres balance of the 480, as the amount of the Certificate is evidently a mistake.

Please to let me have the certificates approved as soon as convenient.

Yours Respectfully,
J. C. C. Brettell for
