I hope you will make it possible to reply by return mail. Pray also say what is ~~the~~ or will be the prospect of having your Court continued for another term of a year or two. I am satisfied there is ample business in the Country to [redacted] engage the Court for two years to come. And our man here ~~or~~ i.e. our to be representative Joel W. Robertson (the man who was of the trio who captured Santa Anna) will be strongly in favour of it.

With Great Respect
Yours truly &c
J. R. Burns.

P.S.
