Edward Clark Esq
Comr Court of Claims

Dear Sir.

I have to call your attention to the last three letters I have written to you. On asking you to issue a balance Certificate of 640 acres of Land of Premium Land Certificate No one issued to Henry Castro for 6400 acres of Land and among other surveys designating Survey No 380 & 222 & 223 in Dist No of Austin's Colony nor said surveys have never been returned for patent because they were previously located by other people and have since been patented respectively to 380 to Blazy Meyer & 222 & 223 to the Heirs of Henry Bricht decd. therefore I wish you to issue to me said Certificate as soon as possible that I may locate it soon — I also call your attention to the other letters at least expect an answer.

Very respectfully
your ob. st.
Lorenzo Castro
