Palestine October the 2nd AD 1858.

Mr. Clark Dear sir

I write to you for ~~some information in regard to some land~~ Claims.

Daniel W. Cloud who fell at the Alamo. has recieved a certificate for one third of a league of land. And are the heirs not entitled to a bounty or a donation of 640. acres more, and if so has the time expired for issuing it or not, according to any late law; or are the heirs of those who fell at the Alamo excepted from the limitation act.

Wm. C. Bulloch. was in the state at the Declaration of Independence. He was a married man. He has never applied for his league and labore certificate. But the records at the Gen Land office show, that his certificate was issued to A. W. Canfield as Bulloch's assignee, in 1838. Located transfered and patented to a third person. Bulloch never made any transfer or assi-gnment of his right, or authorized the issu-ance of his certificate to any other person. Bulloch, and the heirs, of his wife want relief. Must they prosecute the claim-ants of the land, patented to said certif-icate, or must they apply for the issu-ance of a certificate to them

David A Rex. Came to Washington County in 1837. Having previously sold out in Mississippi, with the intention of moving to Texas. He rented land in Washinton County Texas. and procured a home for his family. Planted and
