Nacogdoches Sept. 3d 1851

Messrs. J. B. Shaw Comptroller
& J. M. Brooker Auditor —
Austin

Gent

Inclosed is a Discharge of W. A. Corder from R. Haley for one month's Services rendered in 1839 —

I know that the time for presenting claims has passed — but I thought perhaps Haley had filed his muster Roll in the adjutants genl. office and it would there show, that a months pay is due to Corder, that such would be sufficient to audit his claim — should that however not be sufficient to audit it — you will be pleased to keep the claim for me till I reach austin —

In a short time I shall send on an other Discharge in favor of Reuben S. Corder who served in same Company, the document is not yet in my possession else I would have send it on now —

Yours very respectfully
A. Pleasant
