Houston 24th January 1836 I hereby certify that an account against the Provisional Government of Texas for twenty four dollars twenty five cents amount of smiths' work done by Dement & Powell for the public, was either lost or mislaid by me on San Felipe de Austin said account was for work performed for the Volunteer Army of Texas by order of Genl S. F. Austin for work furnished when Major Grayson passed through with the Texian Powder and for other public work. Said account was not qualified, and this certificate is now given at the request of Dement & Powell.

Edward Gritten

Columbia Nov 4th. 1836

This is to certify that there was 50 Lances and a quantity of cannon shot made at Mr Lowell shop in Gonzalles Last October by order of Colo Moore & Wallace the terms or any thing of that nature I am wholly unacquainted with
