Edward Clark Esqr

Commissioner claims

Dr Sir I want you to inform me if there ever has been any interrogatories filed in your office propounded and crossed to Hayden Edwards and John S Roberts to prove the service of Milton Garrett at the Storming of Bexar if they have been forwarded to Nacogdoches answered and returned John W. Warren informs me that he had this business attended last fall but has not heard whether or not they have been answered and received in your Office if so I want you to act on the 320 issued to Garrett so that I may get the pattent, Mr Warren also informs me that there is in your possession either privately or in your office a transfer from Moses Barnes to J P Henderson & C. B. Powell if you have the same either privately or in your Office you will please file it at once in the Genl Land Office as I want the pattent issued to land conveyed by
