To The Treasurer of the State of Texas.

Sir

At the request of Mr Jacob Greenwood (merchant of this place) I enclose to you herewith a Power of Attorney executed by R M Davis (or Rollo M) by which said Davis authorizes said Greenwood to draw the sum of $50. coming to him from the State as a pension on 1st Jany next — under a law passed several years past — Said Davis is a very poor & very needy man & Greenwood has advanced him the Fifty dollars in Groceries & provisions — and now sends up the Power of Atty — thinking it safest to do so — as by possibility Davis might ~~give~~ make another sale of it — & give some other person a power of Atty to draw it —. Please answer and say whether his having filed it would be any security HH.

Respectfully Yours
T. Chenault.
