Edward Clark Esqr

Enclosed please find a Commission & Interrogatories for Reuben Fiske which I find has been sent down without the Seal attached, you had best attach it. There are also two other commission for Depositions to be taken of Witnesses in this County which have all been sent down without the fee accompanying the same, or even Security for the fee, as the applicants are strangers and far off, please to see the fee and the Matter will be attended to promptly.

Respty Yours &c
