F. M. Hamilton

Rejected for the same cause and an additional cause for want of the value of the Gun. this I anticipated at the time and do still anticipate could be cured by the proper department in this City

[signature] Auditor

Examined and Rejected

1st because the affidavit does not I dentify the claim

2d because the affiant does not swear the instrument to be just true and original & the only one he has offered

3d Such a practice is inadmissable a small claim could be purloined and a large one offered
