I suppose because Mr. Seaton gave the entire claim to B.M. the son. The certificates were filed in your office by Pryor Lea, but not claimed by him as you will see by a note of his somewhere among the papers.
If you consider this showing sufficient please have the certificates forwarded to me.
If it is required I can get the proof of heirship of the sister & Power from him also.
I am informed that Col. Tarleton has withdrawn his protest in case of Henry Rogers in which ⅓ league was granted by Com. Lee. Proof of heirship & Power of attorney to Eurley & myself are on file. I would be glad to get this certificate as early as convenient as the parties are writing me some very pressing letters.

Very Respectfully
Your obt Servt.
H. B. Granbury

P.S. Messrs Tarleton & Burlage will pay any fees due.
