Agapito Cuantes. Domingo Diaz, Clemente Garcia, Francisco Diaz Carlos Chacon ~~Jose Alamada Louis Castañon Antonio~~ Hernandez Marcilino de la Garza and Vicente Zepada —

The above proof he filed with the adjt Genl, and Certificates issued on all of them for a 640 Donation and a 320 Bounty each with the exception of the Vicente Zepada, and the same were delivered by said Adjt Genl to Affiant

The Vicente Zepada Claim was not issued and the proof was burned in the Adjt Genl's office

Affiant says that he held the claims above named as agent for the owners in San Antonio, that the greater part of them he sold as agent to Wm Dettmarode of Austin, He says that the said de Armanden refused to purchase until he had investigated the circumstances of the issuance of these claims, which he did by seeing Geo Pease as he was informed at the time

Affiant further states that no steps were taken in relation to these claims by him as agent without having previously consulted with Geo Pease, who was known to be engaged in vigilantly guarding the public interests against frauds upon the Adjt Genls office

Affiant farther states that he believes the list to be a copy of the same the Adjt Genl acted on and which was submitted
