Dear Sir

Enclosed please find a certificate for 1/3 league issued to Thomas Gannon assignee of James G. Hays by the District Court of Shelby County which I send to your office for approval — your immediate attention to this claim would confer a favor as I have an appointment with the claimants to meet me at Centerville in Leon County on the 10th of next month (April) to make me a transfer to it if approved I also expect to start to the frontier on a locating excursion by the middle of April and wish to take it with me and if you can possibly forward it to me by that time it will be an accomodation
