Hon Ed Clark
Comr Genl of Claims

Dear Sir Enclosed I send you the land Claims of Henderson Hagegood and Hereford for regestration, which do not return to me. I have forwarded to the Genl Land Office, the headright Certificate of Wm Dobson for 640 acres of land issued in Harrison County, and the Duplicate of Riley Davis for 262½ acres, unlocated balance together with field Notes of Surveys made by virtue of same, and have requested the Comr. to file them and then place them before your Court which if he does please take them under Consideration as soon as you can, If the Commissioner of the Genl Land Office should not place the Certificates referred to before you, and you would call on him for them you will bring be under renewed obligations for favors.

Write me whether the application I sent you for John Hendricks Bounty Claim is sufficient to save the limitation, or not.

Very Respectfully
A. Hendrick
