County Clerks Office
Bastrop May 21st 1860.

W. J. Hotchkiss
Const Claims
Austin
Texas.

Enclosed please find the bond and answers of Cullen & Mays as propounded by the atty of Worrell's heirs.

There may appear some informality in the deposition as Buchanan took those of Cullen and I took Mays: we are both deputies alike and I guess it will not make any difference. The gentleman who employed Mr Freeman can explain to you how this happened.

Respectfully Yours
