Hon. Edward Clark
My Dear Sir

On a recent visit to Washington City I was informed by Hon Reagan M.C. from your state that I could ascertain from you how to proceed to establish a claim to land in Texas by the heirs of a deceased Revolutionary soldier of Texas.

Charles B. Huson was a volunteer in the Texas war from Milledgeville Georgia He came back to Georgia and collected Money for the cause. If you can find his name on the rolls and will inform me as to the manner of proceeding to establish the claim of his heirs (his brothers) to the land to which they may be entitled You will confer a great favor on

Truly Yours
