Dallas Tex May 18th /59

Hon Ed Clarke
Austin Tex

Dear Sir

When at Austin last fall I learned from you that the Edward Irons Certificate Class 2 No 180 for 640 acres of land issued by Board of L Comrs of Shelby County Act 18th 1849 had been suspended and took a memorandum of the cause of suspension and proof necessary to authorize its registry and approval — That memorandum is lost or mislaid

Will you do me the kindness to let me know again the cause of suspension and character of proof required &c and much oblige

Very Respectfully
Your Obedt Servt
John J Good
