Muskite Texas. April 16th 1860.

W. S. Hotchkiss Esq

Respected Sir.

Some Months since I Recd information from the Compr of the Court of Claims saying that the he could not approve Mrs Rebecca Jennings H R for 640 acre issued in Walker Co Texas. Mr. S. or Capt S Crosby said in Reply to my letter of Inquiry about said H.R. that the Compr of the Court of Claims sent for him before he rejected the Certificate. Crosby says he is well acquainted with the Genuine signature of Clerk in Walker Co who issued or purports to have issued the same. and I now undertake to say that a Genuine Certificate was issued to Mrs. Rebecca Jennings and was delivered to her in person. and that she believes this same Certificate now in your court. Condemned is the identical Certif delivered to her. there are many living witness who know the facts.
