James Bolan Esqr Austin

Galveston Aug 31, 53

~~Dear Sir - On the 15 July last we took~~ liberty to send to you for collection and for having same entered,

Several claims against the State and the late Republic -

Being interested in part of it only so far as having advanced money to the parties, I of course feel somewhat uneasy, to be entirely without any reply or acknowledgment of receipt from you -

Hoping you will kindly excuse me for troubling you a new - I remain respectfully

Yr obt Servt

S Kauffman

We once addressed one letter to Mr James then at Austin - the receipt of the same has been disputed - and though this was the first instance of such character in our extensive correspondence - We naturally feel a little alarmed about a second possibility of such a thing
