Hon Edward Clark
Com of Claims Austin

Dear Sir

Several Land Claims have been Sent on to Me by parties living out of the State, and As I See by an Act past by the Legislator, that Claiments Must be prompt otherwise they will be bared.

Therefore I hope you will be prompt in giving Me all the Necessary information relative to proofs ~~requisit~~ to obtain the Same.

I will give you a brief out-line of the partie Claim-ents, which will enable you better to give Me the Necessary information that will be require of them, to place their Claims properly before your Hon Court.

The first are the Heirs of Munson Nobles and Licit. All of the Above fell ~~under~~ with Fannin at Goliad. Their heirs live in Georgia
