and have never made no application for their lands before which they are justly entitled to here. Their names & presume will appear on the muster rolls, which please examine.

The next is Peter Rendall of Indiana, disclose & send you his letter addressed to me when in D.C. which will give you more deffinite information in reference to his case than any thing I could write - Alexander D Paterson of whome he speaks; if he took out his head right certificate, as the assinee of Rendall, it was a forgery as Rendall had never impowered him, or authorize him to act as his assinee or knew any thing about him

Please notice the records and see if such has been the case, and if such has been the case please give me the necessary information, that will enable me to take such steps and get such proof as will set a side such disordering operations, and place in the possession of the rightful owner
