and also the necessary step to take to get a duplicat of his stolen or lost discharge.

The next is George B Penman who is a resident of Harris County Texas - he has obtained bounty land, but the one third of a league that he is entitled under the Colonization Law he has not yet received. And also his donation land of 640 acres he has not received, which he is entitled to, as he was one of the men who was at San Jacinto or at least was sick at the encampment near Harrisburg where the baggage and sick was left the day previous to the battle; what proof is necessary to entitle him to get his donation his company all divided before he receive his certificate from the commander of his company therefor did not get it - As to the proof of his being here prior to the declaration of Independance, he will have no difficulty.
