Honor, then you can decide whether it is the same person — I shall go down in a few days and see the gentleman Myself, and then will be able to give you the particulars — please excuse the length of this letter, I wanted to explain and put myself right before you — and that if this Man is a villian and has received the claim, that I have applied for, through his instructions, and upon his affidavit, and the recommendation of those in whom I had confidence — then the fault is not in me —

Please send me D W Henderson's receipt that I sent to your office sometime ago — The receipt was given by said Henderson to Peter Kendall for some papers, and among them was Kendalls discharge for six Months service; Peter Kendall called upon him some Months ago for it and he said he could not find it, and was lost; and the interrogatories inclosed to proof that fact — Please crap them as soon as possible and send them to me, so that I can in person attend to getting them taken — as unless they will not be attended to — If you find two affidavits filled in your County — by G B Perman please inform me, also as to date of the same — respectfully

Yours
C H Randall

P.S. Please examine the Muster Rule of Capt Spland's Company and see if Lewis Hodges name appears
