Windsor Vermont April 25. 1851

Dear Sir

On the 9th day of October, 1849. I enclosed my claim against the State of Texas, with a bill of articles furnished, the original order and Receipt of S. Edmunds Esq. and a description of Eight Certificates of Stock, which I once held, and mailed the same, addressed "To The Auditor and Comptroller of Public Accounts of the State of Texas"; since which I have not heard from them.

Will you have the goodness to inform me if they were duly received and what provision is made for the payment of the class of certificates which were therein described.

Very respectfully your Obt. Servt.

J. W. Hubbard

of the late firm of N. Kendall & Co.

To James B. Shaw Esq.

Comptroller of Public Accounts

State of Texas
