Dear Sir

Enclosed you will please find a document, intended to furnish the necessary proof to obtain for G. A Wiser the "bounty land warrant" of George Damkin. I filed in your office his application with certain papers, last winter while I was in Austin, and the Commissioner and Mr Hitchcock informed me that all that was necessary for Wyser to obtain the claim, was to furnish proof of the identity of George Weeden, heirs assignee of Damkin under whom Wyser claims. This he has attempted. Whether satisfactorily or not, is for you to judge. You will please examine the claim and if there is any defect in the proof or any thing else necessary to be done, please inform me and he will have it attended to if practicable. We understand that we will probably have the pleasure of your company here at the Masonic gathering in a week or two. If so please look into the claim before then, so that you may be enabled to give us the desired information touching the matter. If not please write us

Yr friend truly
P. W. Kittrell
