On the application of Abner Lee for pay for Services in ~~Cap~~ the Army in 1836.

Personally appeared before me the undersigned authority, Wm G. Hall now a resident of Burnet County, & to me introduced by Abner Lee; who being duly sworn says: I know the applicant here present, and that he is the identical person whom I mustered into the service of the Republic of Texas about the 1st of March A.D. 1836. for the period of three months and that he performed his duty faithfully while he continued a member of my company. We were at that time encamped (with the regular army) at Gonzales, in a few days after, information of the Fall of the Alamo was received at Head Quarters, after which the Army commenced to retreat before the enemy; and after retreating as far as the Brazos river, said Lee was granted a furlough for the purpose of removing his family out of the reach of the enemy - after which I lost sight of him

Subscribed & sworn to before me, this 18th May 1858.
