$ 93.40

Cr. by Cash 5 $. Slops 2 $ - 7.00

Balance due 25th August 1842. $ 86.40.

Received Payment.

All my papers legally formally made up by Mr [illegible] the Purser of the Schooner were lost on the Chamber Merchant. I know of but one of the officers now living who was on board the Schooner and he (Mr Tennyson) is now somewhere engaged in the U. S. Revenue service. —
