Answer to 4. The Expedition Sailed from New York, Nov. 21st 1835, and Commanded by Edward H. Stanley, and about two thirds of the expedition arrived in Texas

Inter. to 5. State what your means of Information were and whether or not you occupied a place in that Expedition. Discriminate between what you know and what you may have heard, relative to the Matter from Capt Stanley, and also whether or not he is now living, if dead at what time he died.

Answer to 5. I resided in the same House with Mrs Ten Eyck and Edward H. Stanley. I occupied the position of Lieutenant in the Expedition, Capt. Stanley informed me that Mrs Ten Eyck had advanced about fifteen Hundred Dollars for the Expedition. He is now living and died in the year of 1836.

Inter. to 6 Do you or not know of any evidences of advances being issued to the persons making such advances by the Captain of said Company, or any one by him duly authorized.

Answer to 6 That I do not know.

Inter. to 7 Do you know of Mrs Ten Eyck's absence in Europe for what length of time, Also state what you may know in regard to any vouchers, for such advances and what disposition was made of same during her absence.

Answer to 7. I do know of Mrs Ten Eyck absence in Europe it was about six Years. I do not know of any vouchers having been given to Mrs Ten Eyck and cannot state there was any disposition of the same.
