Galveston, March 5th 1859

Hon. Edward Clark
Commissioner of Claims

Austin,

Dear Sir,

By request of the parties interested we beg to enclose herewith the Certificate of D. M. Shapp, Collector of the Customhouse at La Salle, to the effect that the Schooner Sarah Jordan, measuring 54 72/95 Tons was built by Caleb Letts and Levi Jordan who make application for a grant of Land to which they are entitled by an Act of the Legislature, encouraging the building of vessels in the State.

Caleb Letts and Levi Jordan, of the County of Brazoria are equally interested in the Schooner and want the Land, to which they are entitled, apportioned to them if it can be done, by a Certificate to each of them.

We shall be in readiness to pay any charges for issue of the Certificates, which please order to be forwarded to us when issued.

Yours very respectfully

R. B. Mills
