Gentlemen,

Enclosed herewith please find the affidavit of the loss & character of a draft in favor of Mr. Harrison.

Mr. Harrison says he gave the draft to Mr. George W. Wright to be carried to the Treasury department about the time it was given. but Mr. Wright has no recollection of it. It is possible the same may be in some of the departments now.

I shall write to Col E. Allen to deposite his certificate before your board as to the character of the Affiants Harrison & Graham.

Both of these gentlemen are as well known in Red River & adjacent Counties as any men in this region — and I presume every man in the County would endorse in the certificate made by Judge Toda as to their character —

Respectfully —
Ants Morrill
