Lavaca, June 4/58

Edward Clark Esq
Commissioner of Claims,
Austin,

Dear Sir, Your letter of the 20th ult. came duly to hand — You state that the certificate of Riley George was on the 18th "suspended because not reported by the Clerk" I do not understand what position the certificate occupies, from the term "suspended": Does it indicate that the applicant must produce proof of the correctness of his certificate, or that your action is suspended until the official report of some Clerk is made? Please inform me whether any further step is required on the part of Mr George —

As it appears that the conditional certificate issued to Thomas McConnell dec.d must be acted upon by the District Court, on motion, under section 4th of the Act. of Jan 16/58, you will please send me your certificate that the unconditional certificate does not appear from the records of your office to have been issued — Yours truly A. H. Phillips Jr
