Edward Clark, Commisr

Dear Sir

Yours of 1st Inst. is at hand. you state that I omited to send ~~send~~ the necissary Certificate of owner-ship. the Certificate spoked to the Heirs originally. and John Reed is the owner of 350 acres of the Land, that was located by virtue of said Certificate the remainder still belongs to the hei's. John Reed the publisher of the Loos of the Certfe wants the Duplicate to spur in the name of the heirs as he holds a Bond for 330 acres of Land on said Certificate. the heirs take no interes in the matter and Reed went to the expence of Publication for the purpose of Securing himself and wants and expect the Duplicate to spur to the heirs Yours Truly
