In this case (John R Slaughter) two 1920 acres Bty Warrants have issued the first No. 1386 Rep by Barnard E Bee & the last No. 1812 by Gillett for 1920, the latter was presented by W A Tarleton for D P Zeliff & approved Nov. 18. 1857.

The first issue is now on file & when reached must necessarily be rejected, we have no evidence here that it was issued illegally, & I can not see why he objects

so have the Warrant rejected, he has the approved in his possession.

The first Warrant, - the one now on file was filed by Pryor Lea & will be reached in a week or 10 days.
