Republic of Texas
Port of Galveston } Personally appeared before me H. H. League Judge in said jurisdiction. Isaac Batterson who being duly sworn on his oath says that he was ordered by the Government authorities to press into public service the Schooner Opollo the property of Henry Griffith and to take the same to Galveston Island —

Therefore it is hereby ordered and decreed that the said Mr Batterson take possession of the aforesaid Schooner in conformity with his orders to that Effect and the same to deliver or cause to be delivered to said authorities he holding himself accountable to all whom it may concern for his faithful performance in this transaction —

7th May 1836

Isaac Batterson
