See inside for begging

Now it may be that John Toms may be in like condition to that of Singleton. If so I beg favour of reference to my letters which will show the filing of John Toms before you and a Certificate to that effect so as I may go before Leg for Relief

Or as it was then, before the period of Limitn duly filed with you it may be competent for you certify nunc pro tunc stating facts on the certificate if it would be held by Com of G L. O good for patenting on

I first wrote enquiring about the certificate Toms as to its needing examination. And then to make it secure at subsequent date. Sent up the Certificate to Toms

I may have sent it up in a letter by itself — When it came to me it came some time and inclosed with the Mahala Wilkinson Ferrial 640 head right ~~cert~~ Cert My letters will show and I presume the "minutes" of certificates sent to parties will show that Toms was sent me. please reply fully and oblige C B Stewart

Perhaps you may intend to recommend to the Leg the confirmation of certain Certificates by naming them. If so. had I not better place (if needed) the Toms Cert in you hands for reference to the Legislature to enjoy or receive your recommen-
