J. Mercy Esq.

Quartermaster [illegible]

Dear Sir. Having a fair opportunity to forward you a discharge I embrace it in order that it may be audited and returned by mail as soon as possible —

Some time since I forwarded you a discharge to be audited with a request that it should be returned by the Stagecoach which I have not yet [illegible] —

I also left a small account for Granville Worthen which please [illegible] at the same time with the enclosed & also the other discharge which [illegible] to be sent by the Stagecoach if you have not already sent it — Hoping my family are well — I should be happy if you can find time to write to me & give a line from you —

Respectfully Your
Obdt. Humble Servt
