Comp- Court Claims

Sir

I refer you to the 13th section of the law governing your Court, and ~~[illegible]~~ ask ~~you~~ if, you do not think a bounty certificate for 640 acres should be issued to James J White, or a duplicate therefor - Mr White will swear the certificate was in existence and can prove it by two witness - But that I think ~~[illegible]~~ unnecessary

You have no right to know any thing about a transfer - ~~[illegible]~~

Very respectfully
